Re: Shaked v. General Electric Company (No. 7:08CV10295 (S.D.N.Y.))

Your Honor:

I am writing relating to the final approval of a class action settlement agreement given at a hearing you held on May 31, 2012, and letters I sent to your chambers on June 20 and 27, 2012 regarding notices given to the United States Department of Justice under the Class Action Fairness Act.

I have been advised by counsel for General Electric Company that the U.S. Department of Justice has not yet advised her whether it would seek to intervene in this matter. I am further advised that counsel for General Electric has inquired as to when such a decision would be made; a representative of the Department of Justice will follow-up with her colleagues and advise counsel for General Electric promptly as to whether intervention would be sought.

Given the foregoing, and with the consent of defendant, plaintiff respectfully requests that this Court order the parties to submit a final approval order, or otherwise report on the status of the matter, by August 15, 2012, and enter any other appropriate order under the circumstances.

Please have your office get in touch with me if you have any questions. Thank you.

Sincerely,

Thomas E. Soule
